

PARK MANOR WESTCHASE

August 21 is recognized as National Senior Citizen Day—a time to honor the older adults in our lives and reflect on all they've given to their families, communities, and the world around them. While today is a great reminder to celebrate, the truth is: **every day is an opportunity to show our appreciation.**

Our seniors are storytellers, role models, and the hearts of many families. They've lived through seasons of change, shared their wisdom, and helped shape the world we live in. Their lives are full of quiet victories and lasting legacies.

Whether you're looking for meaningful ways to celebrate on August 21—or simply want to make an ordinary

day feel extraordinary—here are a few uplifting ideas to enjoy together:

- **Create intergenerational moments:** Plan a fun art project, cook a favorite family recipe, or start a story-sharing tradition that bridges generations and builds bonds.
- **Celebrate their journey:** Look through old photo albums, revisit favorite songs or movies from their youth, or ask them to share a cherished memory.
- **Encourage wellness and joy:** Try a gentle movement class, spend time outdoors, or simply enjoy a cozy afternoon chat. Small moments matter.
- **Volunteer side by side:** Join a local cause together or help them share their knowledge through mentoring, reading to children, or crafting for a good cause.
- **Be present:** Your time, attention, and laughter are often the greatest gifts. Share a meal, play a game, or just sit and talk in whatever way brings joy and connection.

The seniors in our lives deserve to be honored not just on August 21, but in the little moments we create with them all year long. **Every shared smile, story, or simple visit is a chance to show them just how much they mean to us.**
